## Council Connection

At its February 2nd meeting, the City Council took the following actions:

- Approved an agreement with Better Futures Minnesota for the deconstruction and demolition of the house at 755 Highway 96. This environmentally friendly method of deconstructing the house will salvage as many of the reusable materials as possible, diverting them from local landfills. It is estimated that about 75% of all materials will be salvaged, recycled or reused. The total cost of the agreement is \$25,000. The property was acquired and the house is being taken down to allow for the construction of a new Ramsey County Regional Library on the site.
- Approved a City Code amendment to allow on-street permit parking zones and adopted a resolution creating a permit parking zone along Chatsworth Street between County Road F and Gramsie Road. This permit parking zone was requested by CBRE, the property manager of the Shoreview Corporate Center, to assist with leasing of buildings in the Center that have transitional office uses, which require more parking.

The Shoreview City Council meets on the first and third Monday of each month at 7 p.m. in the City Council Chambers at City Hall. Members: Mayor Sandy Martin, Councilmember Terry Quigley, Councilmember Emy Johnson, Councilmember Ady Wickstrom and Councilmember Cory Springhorn.
