## City Council

The City Council took the following actions at their July 5, 2016 meeting:

- Awarded a quote for the Wilson Park playground replacement. For the past several years, the City's Capital Improvement Program (CIP) has included a project involving the replacement and relocation of the playground equipment at Wilson Park. The project was initially planned in 2012, however it has been delayed over the years due to higher funding priorities in the CIP. After inspecting the equipment last year, staff recommended that it be replaced in 2016.
- Approved a Temporary Sale/Event permit for Shepherd of the Hills church. This permit will allow the church to hold weekly farmers' markets during the 2016 season.
- Appointed Election Judges for the August 9, 2016 Primary election.
